

Cirv Inc. Case Study: Community Commercial Listing Manager

communitycommercialrealty.com

Creation:

Community Commercial needed to put their business on the web. Cirv brainstormed with Community Commercial to come up with a solution to meet Real Estate Listing needs over the internet.

Innovation:

Cirv developed a website that featured current design requirements and included a listing engine. Cirv built technology to automatically display results for different listings while giving them an option to place a featured listing on the home page.

Relation:

Community Commercial has been a client since 2003.

Vision:

Cirv offers Community Commercial ways to help increase visibility on their website and attracting more and more people to their listings.

PROCESSES:

7-Phase - Optimize - Maximize

SERVICES:

Web Apps
Optimization
Design

Community Commercial:

A company who has developed itself as a staple for commercial real estate in Portland. Metro area.

They provide fast, knowledgeable and courteous service that meets the needs of many businesses and individuals in the Portland Metro Area.
